THE BROOKLYN ADDRESS TELEPHONE DIRECTORY

This directory service is now available for general business use. It contains the names of both business and residence subscribers, listed by street and number. Business Telephone subscribers are definitely distinguished from residence subscribers, and the nature of their business clearly indicated. The cost is reasonable and charges are billed monthly on telephone statement. Similar directory service may also be had for the four other boroughs of New York City.

Some of its Many Uses

1. To solicit new business by ~~telephone or~~ mail.
2. Department stores and similar concerns with large volume of incoming telephone calls often find it easier to get correct address and is easy to "check up" a name.
3. Loan companies and collection agencies use it for obtaining addresses of those who have moved, by calling a nearby address.
4. Real estate men get in touch with property owners and prospective clients.
5. Neighborhood stores find it an aid to advertising in their immediate vicinity.
6. It helps in preparing and keeping direct mail lists up to date.
7. It provides a ready list in selling to prospects in a given area.
8. It permits advertisers to select certain sections of the city for direct mail effort.
9. Stores and delivery systems use it in laying out delivery routes.
10. Bankers and brokers check up before hand on delivery of valuable securities. Credit men call neighborhoods for references.
11. Automobile Agencies check record of registrations with list keeping them informed of sales in a given locality.
